Color Options:

Please Note:

Because of the complexity of this airfoil, coupled with the fact that the canopy is available in any size ranging from 69 to 119 square feet, there are restrictions on the choices of color patterns available. You may choose to go for a stock size canopy for faster delivery. Refer to the ICARUS EXTreme Canopy Ordering Guide to help determine which canopy size is right for you. All canopies are rigged on stainless steel links with Vectran tm suspension line standard. All canopies come equipped with a double-drawstring collapsible slider with stainless steel grommets.

1) Solid Color Option: Color

----- OR -----

2) 2 Color Option

1. Surfaces and Ribs are first color (White or other light color highly recommended)
2. Cross Braces, Stabilizers, Slider your choice of second color. (Dark looks great!)
